

GARDEN RESOURCE PROGRAM

2018

Picture a city with **places to grow food in every neighborhood**, making **fresh and healthy food** accessible to families, and helping residents become the driving force of **community and economic development**. The Garden Resource Program (GRP), coordinated by Keep Growing Detroit (KGD), helps bring this picture to life every day by providing basic and advanced educational opportunities and technical assistance to establish and maintain garden sites. Most important of all, gardens of all shapes and sizes are connected through the GRP to a growing network of gardeners, farmers, food entrepreneurs and advocates working to promote a thriving local food system.

FAMILY GARDENS PAY \$10/YEAR & RECEIVE:

- Seeds – 30 packs of easy to sow varieties*
- Plants – Approximately 116 vegetable transplants
- Opportunities to access garden resources, including soil testing and tool sharing
- Invitation to community events and a discount at Education Series classes
- Opportunities to sell produce with Grown in Detroit

COMMUNITY, SCHOOL & MARKET GARDENS PAY \$20/YEAR & RECEIVE:

- Seeds – 87 packs of easy to sow varieties*
- Plants – Approximately 278 vegetable transplants
- Opportunity to access garden resources, including garden development supplies (like compost, raised beds, tool sharing, soil testing, etc.)
- Technical assistance with starting and/or expanding a garden or farm
- Invitation to community events and a discount at Education Series classes
- Opportunities to sell produce with Grown in Detroit

PARTNERS IN FOOD SOVEREIGNTY PAY \$5/YEAR & RECEIVE:

- Connection to community of growers and food advocates, including:
 - Invitation to KGD's community events
 - Access to technical assistance and discount at Education Series classes
 - Information through KGD newsletters and other communications
- Opportunities to sell produce with Grown in Detroit
- No seeds, plants or garden resources

* Count of seed packs includes some donated seeds (all non-GMO). See 2018 seed & plant varieties on our website.

The Garden Resource Program is only for gardens located in Detroit, Highland Park, and Hamtramck. If you garden outside these areas, please visit our website to learn about other ways to get involved. THERE'S MORE TO THE GRP THAN SEEDS & PLANTS!

JOIN US TO LEARN!

KGD offers classes on everything from basic gardening to cooking, food preservation, pest management, and beekeeping. Drop in for a class or consider taking one of our comprehensive training programs.

RECEIVE GARDEN SUPPORT & RESOURCES.

Whether you are new to gardening or an experienced farmer, KGD offers technical assistance with whatever you need from choosing a site and taking a soil test to helping with a farm business plan. We also offer resources like compost, raised bed materials, and access to tools to active members.

COMMUNITY! WE ALL GIVE A LITTLE AND WE GROW A LOT.

The GRP is possible because of the participants and organizations that contribute their time, skills, and leadership. We all put a little sweat equity in at our volunteer events and we enjoy each other's company at potlucks and community events!

COME SEE WHAT IT'S ABOUT!

Beginning in Spring, Keep Growing Detroit will host regular open hours at our farm site. Details on dates and times will be announced in the March Newsletter.

Contact KGD's staff at 313-757-2635 for more information on the above opportunities!
