

KEEP GROWING DETROIT SUMMER YOUTH APPRENTICESHIP

Do you like food, want to learn more about how to grow it and how to turn it into healthy, delicious meals? Keep Growing Detroit is looking for hardworking young people who want to get their hands dirty and challenge themselves to dig into the world of food and urban agriculture. Come learn from former apprentices and gain a taste of physical work on at our information sessions. Apprentices have gone on to study at the MSU Student Organic Farm program, MSU Residential Initiative on the Study of the Environment and have been connected to job opportunities in related food system work!
